## June 2014 News

*Our Mission: Fundraise for the Elderly*

### About Us

Our vision is to ensure a quality of life for the elderly now and to the end of life. Langley Care Foundation is a registered charity that raises funds to benefit the residents of Langley Lodge.

Funds raised by the Foundation have been used to purchase equipment for residential care, such as ceiling lifts, and to provide staff hours for delivering a range of therapeutic programs such as music therapy, horticulture and pastoral care.

### Horticulture Therapy

Our Horticulture Therapist, **Annette**, is always looking for new and creative ways for people to experience healing and joy through gardening. This picture is taken from a visit to a garden shop with some of our residents.

Funding from the Foundation makes it possible for us to provide this therapy to our residents.
