Our Mission: Fundraise for the Elderly

About Us

Our vision is to ensure a quality of life for the elderly now and to the end of life. Langley Care Foundation is a registered charity that raises funds to benefit the residents of Langley Lodge.

Funds raised by the Foundation have been used to purchase equipment for residential care, such as ceiling lifts, and to provide staff hours for delivering a range of therapeutic programs such as music therapy, horticulture and pastoral care.

Recent Donation News:

A big THANK YOU to the United Churches of Langley Women for their generous donation of \$1250 towards our new Java Music Program.

What is the Java Music Club?

It is the first standardized mutual support program designed to address the critical rates of

loneliness and depression across the long term care spectrum. The program is a structured intervention that helps participants reach out and support those that are lonely and isolated in their community. **Our Langley Lodge residents love the program and it is making a big difference in their lives.** TR staff member, Jodi, and some residents enjoying the program

Opportunity to Pay Tribute

A Tribute Gift is a truly meaningful way for you to make a donation in the name of a friend, family member, or colleague. Your tribute gift may be an *In Memory* gift, to remember someone important to you with a contribution to Langley Lodge, or an *In Honour* gift to mark a special occasion such as a birthday, anniversary, holiday, or wedding. We will send a card to inform the person / family of your thoughtful and significant tribute.
