April Smiles

*April smiles at bright, beautiful flowers
Blossoming in the sun.
The leaves smile a bit greener,
Thinking of Spring's days begun*

*Rain comes tenderly
In the clouds floating softly by
Raindrops smile as they drop down gently
Blessing the Earth from the sky.*

*The sun shines a smile,
All over the Earth
With its snow suddenly melting
And waiting for rebirth*

*Baby animals yawn,
as they wake with the dawn.
Each growing in different styles
With Spring as its friend,
hoping it won't end...*

Everyone can feel April's smiles.

By: Robin Zelaya

What is Accreditation?

- Official recognition that our organization is guided by internationally recognized service standards and best practices.
- Demonstrates that our organization has opened its service delivery and business processes to outside scrutiny to improve the quality of our programs.
- A public statement that our organization strives to ensure that our services are of the highest possible quality.

What does accreditation mean to persons served?

- Demonstrates to customers that our organization is committed to reducing risk, addressing health and safety concerns, respecting cultural and individual preferences, and providing the best possible quality of care.
- Demonstrates that our organization values the input of our clients and is accountable to the community.
- Demonstrates that our organization has made a specific commitment to put the needs of our residents at the center of everything we do.
- Indicates that our organization respects the rights and individuality of our patients.

What is CARF international?

- Provides a framework, then consults and advises health and human service organizations to help improve their service quality.
- A nonprofit accreditor of health & human services. Its goal is to ensure that persons served remain at the center of the service delivery process.

News from the TR Department

A Message from our Therapeutic Recreation Manager:
 “These are unprecedented times throughout our nation and beyond our borders with the Coronavirus pandemic. For those of us supporting people living in Long Term Care are very aware of the importance of keeping day to day routines and activities as “normal” as possible for our elders. Here at Langley Lodge, all staff, including the Recreation Team are pulling together in support of each other and the elders we care for. The Recreation and Rehabilitation staff are still spending time with our elders.”

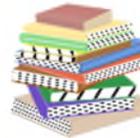

Providing Programs like:

Virtual Visits with Family
Distanced Trivia
One to One Visits

“Please feel rest assured that even though there are no group programs taking place the recreation staff are here and they are spending time with your loved albeit in a different fashion.”

Not Goodbye, but See you soon!

Bonnie started at Langley Lodge 40 years ago, as a Health Care Aide, and moved her way through Administration to the final position of Payroll/Personnel Administrator. Bonnie always comes to work with a smile on her face and brings in her charming wit and wicked sense of humor. Many of us have been lucky to know Bonnie and to have worked closely with her, and she will surely be missed!

Recognizing our volunteers at Langley Lodge

Our volunteers dedicate their time in many ways, some through companionship, some through group activities/outings, and some through fundraising for resident comforts and much needed equipment.

This year Volunteer Canada's Theme for 2020 is "It's Time to applaud this Countries Volunteers". We here at Langley Lodge will be 'Applauding' our volunteers for their amazing contribution to the daily lives of all our residents.

Our recognition event for April 21, 2020 has been postponed, and will be rescheduled as soon as we are able to set a new date.

On behalf of the staff, residents and families at Langley Lodge,
THANK YOU VOLUNTEERS!!!

LANGLEY CARE SOCIETY

Operations Strategic Planning Summary
2020-2023
